LEE GORDON

02/21/2007

INTEREST RESULTS

The table below reports and displays the percentage of "LIKE" responses that you recorded for each of the twelve Interest Areas. The dark vertical line in the chart is your average percentage of "LIKE" responses (34%) across all twelve Interest Areas.

Interest Area	% Like	
01 Artistic	21	
02 Scientific	85	
03 Plants/Animals	36	
04 Protective	17	
05 Mechanical	17	
06 Industrial	8	
07 Business Detail	33	
08 Selling	40	
09 Accommodating	30	
10 Humanitarian	73	
11 Leading/Influencing	29	
12 Physical Performing	20	

The following Interest Areas, listed in order of your preference, stand out significantly above your average level of interest:

Scientific and Humanitarian.

APTITUDE RESULTS

The graph below reports and displays your aptitudes as standard scores and as percentile scores. An aptitude score of 100 is exactly average. Scores between 80 and 120 can be thought of as "in the average range." Percentile (%tile) scores report the percentage of people who score below you. The graph displays your relative strengths.

Aptitude	Score	%tile	Average Range
General Learning Ability	105	60	
Verbal Aptitude	95	40	
Numerical Aptitude	101	52	
Spatial Aptitude	94	38	
Form Perception	112	73	
Clerical Perception	113	74	
•Motor Coordination	100	50	
•Finger Dexterity	100	50	
•Manual Dexterity	100	50	

--- Score can not be calculated

•Your aptitude profile may include Motor Coordination, Finger Dexterity and Manual Dexterity scores. The sources of these scores are listed below. If "Counselor" is listed as the source of information, an assumption has been made regarding the score. If "None" is listed as the source, the performance factor will not be considered when making Work Group recommendations. Motor Coordination: COUNSELOR; Finger Dexterity: COUNSELOR; Manual Dexterity: COUNSELOR.

RECOMMENDATIONS

The U.S. Department of Education has organized career preparation programs into sixteen large Clusters. The Clusters are then divided into Career Pathways. All occupational specialty programs within a specific Career Pathway require a common set of basic skills (i.e., reading, writing, mathematics, computer skills, etc.) as well as a common set of technical skills and knowledge.

Pathways

In the Clusters/Pathways column, you will find the names of each of the 77 Pathways listed under the Cluster to which they belong. Next to the name of the pathway in the "♦" column, you may see a ♦. If the Pathway has a ♦ in this column, it means that your **interest and aptitude results** are aligned with a higher percentage of career specialties within that Pathway. The third column, labeled with a "%", indicates the percentage of individual Specialties that were identified as significant for you within that Pathway. (Ex. If the number in the % column is 20%, your CareerScope Aptitude and Interest profiles are highly related to 20% of the specialties in that Pathway.)

Clusters:

In the Clusters/Pathways column, you will find the names of each of the 16 Career Clusters shaded in gray. Next to the name of the Cluster in the "♦" column, you may see a number. If the Cluster has been identified as a significant Cluster based upon your Aptitude x Interest profile, it will have a number rank displayed in this 2nd column. (Ex. If there is a 1 next to a specific Cluster name, this would be the number one most significant Cluster based upon your profile.)

When using this report, be sure to:

- Review all of the information in this report and then gather additional information about the Career Clusters and Pathways that emphasize your learning capacities and your interests.
- Remember, your assessment outcomes can change as a result of development, learning and motivation

I Only = Yes; A Only = Yes
